### The 'Cornish' List

Here at the Beacon Hotel we continue to support and offer local produce to our guests. Our wine list is no exception. With this in mind we have tasted and selected a number of local wine producers who offer award winning wines to pair with dishes made freshly for dinner or just to drink whilst chilling in the garden on a warm sunny day

# polgoon

#### Knightor Mena Hweg

*Mena Hweg is inspired by the great wines of Germany. Its name is derived from the Cornish translation for the grape Schönburger, which means 'pretty/sweet hill'. The wine is delicate and floral with citrus and peach like aromas. On the palate it is well balanced by the grapes natural acidity. Though not sweet enough for a dessert wine, it can be enjoyed as an aperitif or a mid-meal palate cleanser with savoury dishes that carry fruity or sweet elements. It also pairs well with mild cheeses.*
